

## Datasheet for: EU-US2000

### Product Type: Use American Appliances in Europe

2000va 230v Schuko to 120v Voltage Convertor with two American socket

|                    |                                                          |
|--------------------|----------------------------------------------------------|
| VA                 | 2000                                                     |
| Input Voltage      | 230                                                      |
| Input Termination  | 3 pin Schuko plug                                        |
| Input Current      | 8.6                                                      |
| amps               | 16                                                       |
| Output Voltage     | 120                                                      |
| Output Termination | Two 120v American 3pin sockets                           |
| Product Case       | UKL1 Large Grey steel case                               |
| Dimension          | L:280 x W:200 x H:120mm                                  |
| Weight             | 10kg                                                     |
| Primary Protection | Push to reset circuit breaker SP12                       |
| Product Type       | Autowound transformer Conforms to EN61558-2-13 CE & RoHS |

Commodity code: 851539130

**RoHS Certificate:** Airlink Transformers certifies and testifies that all the products and goods delivered and invoiced, do not contain any of the hazardous substances as mentioned in the 2011/65/EU European directives (RoHS). Particularly these products do not contain: Heavy metals such as Pb, Cd, Cr6+ Bifenil Polybromurate (PBB) Ether Difenil Polybromurate (PEDE)

**Declaration of Conformity:** Airlink Transformers declare that the product EU-US2000 conforms to current European safety and EMC regulation EN61558-2-6 (Safety Isolating transformer) CE & RoHS compliant. Manufactured to Class A 105degC.

**Declaration by the Exporter:** The exporter of the product covered by this document declares that these products are of EU preferential origin.
