

## Datasheet for: JA-EU1500

### Product Type: Use European appliances in Japan

1500va 100v to 230v Voltage Converter with two Schuko sockets

|                    |  |
|--------------------|--|
| VA                 | 1500   |
| Input Voltage      | 100  |
| Input Termination  | 3 pin japanese 16amp plug                                |
| Input Current      | 15   |
| amps               | 6.5  |
| Output Voltage     | 230  |
| Output Termination | Two Euro (Schuko style) sockets 230v                     |
| Product Case       | UKL1 Large Grey steel case                               |
| Dimension          | Ht:115 L:250 W:190 (mm)                                  |
| Weight             | 7kg  |
| Primary Protection | Push to reset circuit breaker SP12                       |
| Product Type       | Autowound transformer Conforms to EN61558-2-13 CE & RoHS |

Commodity code: 851539130

**RoHS Certificate:** Airlink Transformers certifies and testifies that all the products and goods delivered and invoiced, do not contain any of the hazardous substances as mentioned in the 2011/65/EU European directives (RoHS). Particularly these products do not contain: Heavy metals such as Pb, Cd, Cr6+ Bifenil Polybromurate (PBB) Ether Difenil Polybromurate (PEDE)

**Declaration of Conformity:** Airlink Transformers declare that the product JA-EU1500 conforms to current European safety and EMC regulation EN61558-2-6 (Safety Isolating transformer) CE & RoHS compliant. Manufactured to Class A 105degC.

**Declaration by the Exporter:** The exporter of the product covered by this document declares that these products are of EU preferential origin.
